

COUNTRY POLICY BULLETIN

LEBANON

1. This Bulletin has been produced by the Country Specific Asylum Policy Team, Immigration & Nationality Directorate, Home Office to provide guidance to decision makers dealing with Lebanese asylum claims and protection-based human rights claims. It covers such claims made by Lebanese nationals, and by people who are habitually resident in Lebanon.
2. **Ministers have decided to resume decision making on all Lebanese asylum and protection-based human rights claims and end the suspension on removals in light of recent events in Lebanon. This takes place with immediate effect.**
3. We will continue to remain in close contact with the Foreign and Commonwealth Office and NGOs working in the region and will keep the situation under review.
